

Elgaronline

The online content platform for Edward Elgar Publishing

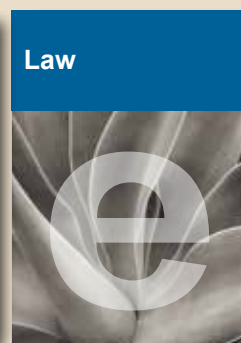

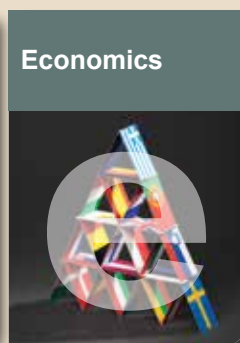

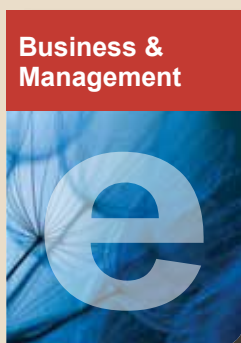

Making research easy

2014 Collection
Information
Included

Including

- Acclaimed Research Handbooks
- Companions and Dictionaries
- Leading edge research monographs
- An expanding list of new journals
- Over 55,000 searchable chapters and articles
- Free trials available

SAVE with subject eCollections

- Over 2,400 titles
- No Digital Rights Management
- Multi-user access as standard

Just some of the benefits that make Elgaronline an easy choice!

Elgaronline is the new content platform for Edward Elgar books, reference works and journals, including scholarly monographs, Research Handbooks, Companions and much more.

Designed as a unified content platform, Elgaronline allows users to access the breadth of Elgar content in one place.

With over 2,400 titles, no Digital Rights Management (DRM), multi-user access as standard and online publication simultaneously with or before print versions, Elgaronline is an easy choice.

Subject eCollections:

- Business and Management
- Economics
- Social and Political Science
- Law

Purchase Options

- Be the first to access frontlist collections. All new titles (excluding anthologies and textbooks) included on or before print publication
- Backlist packages are available to fill gaps in your collection at affordable prices. Our price will take into consideration overlap with your current holdings
- Select from four unique subject collections: Business and Management, Economics, Social and Political Science and Law (or request a tailored proposal)

Flexible Options

Academic research is interdisciplinary – so are our books.

Including

- Acclaimed Research Handbooks
- Companions and Dictionaries
- Leading edge research monographs
- An expanding list of new journals
- Over 55,000 searchable chapters and articles

Benefits for Users

- Intuitive user interface – all research is available through a simple search and browse facility
- Free from DRM – users can download to preferred device or print
- Elgar journals, reference and eBooks accessible and searchable across one platform, enabling a unified research experience

Benefits for Librarians

- Multi-user access standard for collections
- Counter-compliant usage statistics
- Free MARC records provided monthly
- Perpetual access business models available
- Options to personalise your pages and include your library logo
- Available before print

Smaller & tailored collections also available!

Smaller Collections

While our non-overlapping collections in our 4 main areas provide the most complete and cost effective way of acquiring our ebooks, we do also offer smaller collections in more specific subject areas. These smaller collections are available for books published from 1994 to 2012 and include monographs, Handbooks, dictionaries and encyclopedias in over 40 different subjects.

Tailored Collections

If none of our existing collections are right for your library, we can tailor a collection for you. Tell us your budget, subject areas you are interested in, and/or a range of publication dates and we can give you a proposal.

Please email: sales@e-elgar.co.uk for more information

Intuitive interface allows users to quickly search and filter

Quick or advanced search

Search within results

Keep track of favourite content and search results

Delete search criteria without needing to redo search

Results ranked by relevance, publication date, or alphabetically

Content type clearly identified

Access traffic light

Select chapter or book directly from search results

Refine by level and access

Filter by type of content

Refine by high level subject, or drill down to specific topics

Refine by publication date

One platform for all Elgar content = reduced library administration

The screenshot shows the Elgaronline search results interface. At the top, there is a search bar with a 'Quick or advanced search' label. Below the search bar, there are navigation tabs: Home, Browse, Products, Librarian services, Take a tour, Help resources, Blog, My Content (1), and My Searches (9). The main content area displays search results for 'climate change disaster' from 2013-2013. On the left, there are several filter panels: 'Refine by level' (All, Title, Chapters/Articles), 'Refine by access' (All content, All accessible content), 'Refine by type' (Monograph Books, Journals, Handbooks, Encyclopedias, Reference & Dictionaries, Commentaries), 'Refine by subject' (a list of subjects like Actor Studies, Business and Management, etc.), and 'Refine by date' (2013, 2012). The search results list includes items like 'Climate change adaptation and disaster law', 'Regulating Disasters, Climate Change and Environmental Harm', 'Gender, Development and Disasters', and 'Disaster Risk Reduction'. Each result shows a title, author, and a small book icon. A 'Print and share' button is visible at the top right of the results area.

Intuitive interface allows users to navigate content quickly

Print and share

Book level context

Download DRM free files for use on your device or to print

Preview content – Extract or Abstract

Navigate table of contents or search within the book

Discover related works

Chapter bar re-creates the sense of location in the book that you get with a print copy

The screenshot shows the Elgaronline book page for 'Research Handbook on International Environmental Law'. The page features a 'Table of Contents' on the left, a 'Chapter 5: Implementing Intergenerational Equity' section in the main content area, and a 'Related Subjects' section at the bottom. The 'Table of Contents' includes sections like 'PART I: INTERNATIONAL ENVIRONMENTAL LAW AS A SYSTEM OF INTERNATIONAL LAW', 'PART II: THEORIES AND CONCEPTS OF INTERNATIONAL ENVIRONMENTAL LAW', 'PART III: SUBSTANTIVE PRINCIPLES', 'PART IV: HUMAN RIGHTS TO A CLEAN ENVIRONMENT', 'PART V: RESPONSIBILITY AND LIABILITY FOR ENVIRONMENTAL HARM', 'PART VI: DISPUTE SETTLEMENT AND COMPLIANCE', and 'PART VII: BIODIVERSITY'. The 'Chapter 5' section includes the title, author 'Edith Brown Weiss', and a 'Download PDF (108.7 KB)' button. The 'Related Subjects' section lists 'Environment', 'Environmental Law', 'Environmental Sociology', 'Law - Access to', 'Environmental Law', and 'Public International Law'. At the top right, there are 'Print and share' and 'Buy Book in Print' buttons. A 'Chapter bar' is visible at the bottom of the page, showing the current chapter's location within the book's structure.

Economics

Economics

Our largest and most established list, featuring numerous Nobel prize winners, our economics publishing encompasses the entire discipline including money and finance, industrial organisation, labour and welfare economics, public sector economics, environmental and development economics, international and regional economics, and innovation. We also cover the heterodox schools of thought, from post-Keynesian, Austrian and public choice to institutional & evolutionary economics.

Law

Law

Our list focuses on a wide range of legal areas including: international and comparative law, intellectual property, trade, finance and commercial law, information and technology, antitrust, environmental and energy law, European law, corporate and financial law, and law and economics. Many of our titles are interdisciplinary and cut across our public policy, environment, development, economics or international politics lists – reflecting the current nature of much academic debate.

'Elgaronline is a user-friendly online database that offers a range of general and reference content. Like other recent online social science platforms, it offers a variety of ways to browse and search its content.'

– L. C. Gordon, *Choice*

'Elgaronline, at last an online platform that is as good as the publisher behind it!'

– Librarian, Eurofound, Dublin

'We are very happy with our experience with Elgaronline. The platform is intuitive and well designed with a clear understanding of academic use, including DRM free chapters and unlimited concurrent users. The Edward Elgar staff are very helpful and continue to be a pleasure to work with.'

– Kirsten Francis,
Electronic Resources Librarian,
Monash University Library, Australia
